FOR RELEASE IMMEDIATELY

SUBJECT: Warfel Construction Company awarded \$8.9 million school contract

East Petersburg, PA, March 3, 2011 – Warfel Construction Company was recently awarded the general trades contract for additions and renovations to the Dover Elementary School in the Dover Area School District.

Encompassing a total of 98,000 sq. ft., the \$8.9 million project includes a two-story classroom and administrative building and additions to the existing multi-purpose building. Demolition of the existing classroom room wing and renovations to the main building and classroom wing will also be completed. Designed by Mechanicsburg firm Crabtree Rohrbaugh & Associates, the 17 month project is scheduled for completion in August 2012.

Overseeing the project for Warfel is Senior Project Manager Fred Lohss, and Superintendent Jay Batz, both of Lancaster.

Celebrating its 100th anniversary in 2011, Warfel Construction Company provides general construction, construction management and design/build services to clients throughout Pennsylvania and surrounding states.
