**DATE: January 11, 2009  
SUBJECT: Warfel Safety Director Earns Certification**

**Warfel Construction Company**, 1110 Enterprise Road, East Petersburg, announces that **Jeff Pierce** has earned his certification to teach the OSHA 10-hour and 30-hour construction safety training courses. He completed an intensive 4 day program through the National Labor College at College Park, Maryland to earn this certification. As Director of Safety at Warfel Construction Company, Pierce oversees the safety efforts of the firm's 110 employees and subcontractors at over 15 project sites by performing mock OSHA inspections, coordinating weekly safety talks, and monitoring overall compliance. He also manages the company's Safety Committee. After joining Warfel in April 2008, Pierce was instrumental in achieving the Certification for Workplace Safety Committee through the PA Department of Labor and Industry. This certification entitles Warfel to receive a 5% discount in worker's compensation rates.

A resident of Lancaster, Pierce received his Bachelors degree in Occupational Safety and Hygiene Management from Millersville University. A certified Fire Protection Specialist, he is a member of the Associated Builders and Contractors Safety Committee and is currently certified as an Associate Safety Professional..
