SUBJECT: Warfel Announces Promotion

Warfel Construction Company is pleased to announce that Rusty Hoffman has been promoted to Project Manager. Hoffman has been with the firm since 2005 when he served as a college intern for two summers. Upon graduation, he joined Warfel full-time as a Project Engineer. As Project Manager, he is responsible for complete project oversight, coordination, schedule, and budget on projects ranging from \$1 to \$15 million dollars throughout Pennsylvania and the surrounding states. He is currently managing a \$12 million renovation and expansion of the St. Andrew School Field House in Middletown, Delaware.

A resident of Royersford, Hoffman is a graduate of Upper Perkiomen High School and earned a Bachelor of Architectural Engineering degree from the Pennsylvania State University.
