FOR RELEASE IMMEDIATELY

SUBJECT: Warfel Construction Company awarded \$1.6 million Lancaster City contract

East Petersburg, PA, June 16, 2010 – Warfel Construction Company was recently awarded a \$1.6 million dollar contract from the Spanish American Civic Association Development Corporation (SACADC) to construct 13 new town homes located between North and Locust Streets in southeast Lancaster. Designed as affordable homes for families, the townhomes are 1475 sq. ft. each, with eleven being 3 story, 3 bedrooms with 2 baths and a basement. Two townhomes will be 2 story, 3 bedroom, two baths, and will be handicapped adaptable. Fenced yards and off-street parking will be provided for the homeowners of the 13 homes. The project will be partially funded by The Department of Community and Economic Development of PA and the Federal Department of Housing and Urban Development.

Overseeing the project for Warfel is Senior Project Manager Fred Lohss, and Superintendent Rick Lewis Sr., both of Lancaster. The project, designed by Tippetts Weaver of Lancaster, is scheduled for completion in December 2010.

Warfel Construction Company provides general construction, construction management and design/build services to clients in Pennsylvania and surrounding states. In business since 1911, Warfel specializes in working with institutional clients in the education, retirement living and healthcare industries. Dedicated to sustainable building practices, Warfel was the first contractor in PA to earn the GreenPlus certification.
